1 Based upon information disclosed at the last appearance in the above-caption case, the Office
2 of the Federal Public Defender has determined that a conflict precludes undersigned counsel from
3 continuing to represent Defendant Floyd Barrow.

4 Accordingly, undersigned counsel respectfully requests that the matter be set before the duty
5 magistrate judge on Wednesday, March 12, 2014, at 9:30 a.m. for appointment of substitute counsel.
6 Undersigned counsel has advised the government and the U.S. Probation officer of this issue and
7 neither has raised any objection to this proposal. In addition, government counsel has indicated that
8 he is available to appear in court at that time.

9 The next appearance in district court previously set for March 26, 2014, would remain
10 unchanged unless otherwise requested by the parties.
